GREYHOUND PETS OF ATLANTIC CANADA
PRE-ADOPTION / FOSTER HOME FORM

Greyhound Pets of Atlantic Canada is a registered not-for-profit charitable organization dedicated to the purpose of finding responsible homes for retired racing Greyhounds. If you are interested in providing for one of these extraordinary creatures, please assist us in optimizing the placement process by furnishing the following information as honestly and completely as possible. When you have completed the application, return it to the above address. You will be contacted for a home visit as soon as possible. Thank you for your interest in these wonderful pets.

THE FINE PRINT

Greyhounds must be considered "house dogs". They are comfortable where you are comfortable. In addition to the fact that most communities now have "leash laws", you will need to reconcile yourself to providing a fenced yard or to walking the dog on a lead. Greyhound Pets of Atlantic Canada spays or neuters and provides a variety of vaccinations and other preventative measures prior to placement. However, we suggest that you discuss the special needs of Greyhounds with your veterinarian. Please provide the name and phone number of your vet and, if possible, a letter of reference from him or her. If you do not have a vet, ask any GPAC representative for suggestions. As with most non-profit organizations, we depend on the generosity of people such as yourself. In the interest of the Greyhounds, we ask for an adoption fee of \$275.00 payable when you receive the dog. When we provide a dog, we incur considerable expenses. As such, YOUR ADOPTION FEE IS NON-REFUNDABLE.
